

# FRONT LOAD POST MIX URN

## FPM-1 AND FPM-2

*Introducing Newco's family of front access post mix dispensers. Designed and built with high quality components and easy set up & ratio adjustments. Newco dispensers deliver consistent drinks with every dispense. Reduce labor, eliminate waste and increase profits with the Newco family of post mix dispensers.*

- *New front load design eliminates loading of heaving BIB's from top of dispenser. Simply slide the BIB into the front of the machine making it easy and safe to load.*
- *New narrow design frees up valuable countertop space for other beverages.*
- *1 product dispenser accommodates up to one 3-Gal BIB.*
- *2 product dispenser accommodates two 1/2 Gal BIBs.*
- *New low profile design is perfect for offices and locations with height restrictions under 18".*
- *Mechanical (non-electric) operation.*
- *Only 25 PSI static waterline pressure required.*
- *High quality, Stainless steel construction for years of trouble free service.*
- *Simple drink strength adjustment.*
- *Water pressure regulator to ensure drink taste consistency.*
- *Comes equipped with QCD connection (Scholle Connector optional)*
- *Rear shutoff valve.*
- *Custom branding and wraps of the dispensers available through Newco.*
- *Made in the USA*
